The draft put up by me at para 20 Supra is clear, concise and self-explanatory. In accordance with the notes and orders in paras 17-19, the Municipal Council is being requested to reconsider its Proposal in the light of the provisions contained in S 27(14) and 41 of the city Municipalities Act. The crux of the note at Para 17, which is a mere recital of the Provisions contained in S.41, is the "Period of lease" and this is incorporated in the draft. An alternative draft is however put up as per orders at Para 21 Supra

(23) The remarks at Para 21 Supra are most unwarrantable and not justified as I have no kind of Vested interest in Davanagere City and my

-- 0 --

In continuation of this office letter No H C 31/53-54 dated 24-7-53 forwarding the resolution of the Municipal Council in the matter of making available one of the Municipal buildings to the journalists Association, Davanagere, I write to state that six other journalists who represent at Davanagere, the important moffussil papers of Tainadu, Blitz, Deccan Herald, Prajavani, Navayuga, Satya, Janavani Prajamata, Time of India, Hindu etc have represented on 22-7-53, that they have formed a separate Association called as "JOURNALISTS ASSOCIATION" Davanagere and that they have taken steps to register this Association

The other Association has also designated itself as the "Journalists" Association, Davanagere and consists of the Editors of the Local news papers as Netaji, Pudari, Sakti, Navasakthi etc Both the Associations are evidently not yet registered and both of them request the Municipality for affording them the Press facilities

The present building sought for by the Association of local papers is situated in a important place which is let out would

bring reasonable income to the Municipality In the circumstances as there is difference in the two sections of the Press it may not be desirable to place the building at the disposal of one section

The above facts are therefore brought to the kind notice of Government

Dear Sir,

Re Press Hall at Davangere

I invite your kind attention to the letter dated 11th January 1954, written by the Honorary Secretaries of this Association on the above subject I very much regret that the Government should not even care to acknowledge the letter and inform what action they have taken on the matter referred to them

The Association is eager that the fair name of the Journalists should not be abused or misused by anybody, much less the City Municipal Council, to serve their selfish and, perhaps, sectarian ends Will you please let me know at your earliest convenience what action the Government have taken in the matter referred to them?

Thanking you in anticipation,

Yours faithfully,

Sir

It is seen from the reference available in this office that you have been in possession of the upstairs of the Municipal Building known as 'Lakshmi Building' from 1-6-1953 As you are aware tht as the Municipal Council at their meeting held on 8-4-53, had resolved to let the building at a rental of Rs 25/- P M you were requested in the marginally noted letters issued by this office to return the key of the buildings to the Revenue Officer The Revenue Officer now reports that though he personally contac-ted you several times you have not been pleased to hand over the key to him The Municipal Council has resolved that the building should be leased out at a public auction to the highest bidder Since you will be in occupation from 10th June 1953 to 31st December 1953, the Municipality will have incurred a loss of Rs 200/- by way of rental at a rate of Rs 25/- per month

G.C A194/53-54 dated	24th July 53
	11th Nov. 53
%	28th Decr.53

I therefore request you kindly to deliver the key without any further postponement as the building has to be leased out to the highest bidder at a public auction as resolved by the Council or else you will not only lay yourself personally liable to make good the loss incurred by the Municipality on this account but also the Municipality will be constrained to take further proceeding in the matter Hence this may kindly be treated as the last and final notice and it is hoped you will kindly comply with the wish

wishes of the Municipal Council in this matter so as to see that the Municipality is not entailed in any loss on account of failure on your part to comply with their wishes

Yours faithfully,

Reference Your letter No L 12999/ dated 6-1-54

With reference to correspondance ending with your letter No L. 7420/dated 24th September 1953, on the above subject, I write to state that the matter was placed before the Municipal Council at their meeting held on 26th October 1953, together with my note bearing on the subject, in accordance with the observations of Government in the matter. The Municipal Council resolved that the present grant, free of rent, of the upstairs of the "Laxmi Building" to the Journalist Association be cancelled and that the building be leased out in public auction to the highest bidder and the building should be taken possession of from the Journalists Association

Accordingly the President of Journalist Association was requested to hand over possession of the building on 11-11-53 Meanwhile on, 20-11-53, 17 councillors out of 29 requested the President to continue the use of the building by the Journalist Association and not to press the Journalist Association to vacate the building

Again on 25th November 1953, several important Journalists of the place representing, Indian Express, Times of India, Hindu, Nava-yuga, Sathya, Prajavani, Deccan Herald, & Samsar, represented that the so called Journalist Association which is in possession of the building is not their representitive organisation as most of them had dissociated from its activities and that some who are Members of that Association had now resigned and the Association is not functioning at

all They also added that such a costly building is not required for their purpose which could otherwise be let out for rent

After comming to know the decision of the Municipal Council, the applicants, Srivuths, 1) Sheik M Kasim, B A , L L B , Advocate & H S Narayana Swamy, Insurance representatives have requested for letting the buildin on monthly rental On 20th December, Sri B Murigappa, Editor "Pudari" a local paper and Sri Goweri Shankar Correspondant of "Vishala Karnataka Secretaries of the Journalists' Association sent a copy of the proceedings of the Journalist Association requesting the City Municipality to continue to spare the building for the use of their Association

Mean while on 29-11-53, the President of the City Municipality wrote to me that the key may be obtained immediately since the represen-tatives of important news papers have advised that they no longer required the premises and to let out the premises for rent

I immediately drafted a notice to Sri N B Gurudev, Ex-President and Sri A H Shivananda Swamy, President, to hand over possession of the building immediately so as to let it out for rent Some of the Council-llors and concerned Journalists again approached the President that they were settling the differencess that have arisen between the two sets of Journalists very shortly The President has requested me just to keep by the notice for a few days I submit for the informa-tion of Government, the entire file of correspondence together with the draft notice to be issued to the Ex-President and President of the Journalist Association to vacate the building together with a copy of the Council resolution passed on 26th October 1953, for kind perusal of Government,
